TUBBS WOOD TYPE

40 Line No. 2021. Class N.

40 Line No. 2040. Class N.

PARKER. - Hello! Jones.

JONES. - Hello! Parker.

PARKER. - That is a dandy Poster you have put out Jones, been getting a lot of new wood type I see, where did you buy it?

JONES. - From TUBBS & CO., South Windham, Conn.

PARKER. - A new firm of Wood Type Manufactures?

JONES. - No, only a change of name. It is, American Wood Type Co. Mr. TUBBS started in business under the name of the American Wood Type Co., in 1878 was formerly with The Wm H. Page Wood Type Co., entered their employ in 1860, no doubt has had more experience in making Wood Type than any other person in the business. When you wish to buy any wood type, I would advise you to buy TUBBS TYPE, they will use you as well as any one, thir prices are no higher, and you will get the best type made. I know it to be a fact, as I have used all other makers type, and I find that TUBBS TYPE outwears any other I have used. The Type Wood grows in Connecticut, and it is a well known fact that Connecticut Type Wood, for hardness, cannot be beat by any other State.

PARKER. - That is something new, I did not know that there was any difference in Type Wood, althrough the last Wood Type I bought from — did not wear well.

JONES. - Yes. There is a difference. When an other Manufacturer, sends into TUBBS, State, to get Type Wood, it is good proof, that it is better than the Type Wood in their State, it is a fact, that they have done it, to make type, that would do the work, where anything but Connecticut Wood, would not stand the strain. By buying TUBBS TYPE, you run no risk of buying any other than the best Wood Type made.

PARKER. - Thank you Jones, for your information, I shall write immediately to TUBBS for Specimen Book, as I want to put in a lot of new type.

PARKER. - Good-day Jones.

JONES. - Good-day Parker.

TO THE PRINTING FRATERNITY.

We have shown in this book only one line of lower case to any style of type that we make capitals, lower case and figures, all other styles we make capitals and figures, but remember we can make lower case and figures to any size where we have shown a lower case line to any size. We make larger type than shown in book, if such are desired.

When ordering state whether capitals only are wanted, or capitals and figures, or capitals, lower case and figures. Give the number of A's font, the line pica, and the numbers printed over the specimens.

Our type is the regular made or standard type, cut on end wood, by machinery, hand trimmed, making a type superior to any other process. We have had over forty years experience in making wood type and warrant our type to give satisfaction.

Very Respectfully Yours,

TUBBS & CO., SOUTH WINDHAM, CONN.
